

François Stouvenot

*Executive Vice President &
Chief Commercial Officer*

François Stouvenot serves as Executive Vice President and Chief Commercial Officer of DURA Automotive Systems. In this role he is responsible for all sales, marketing and new business development strategy worldwide.

Prior to that, François held the position of Executive Vice President for Commercial Operations since the beginning of 2009 and from 2005-2008 was Vice President of Sales and Purchasing for DURA Automotive Systems Europe. From 2003 to 2005, he was President and General Manager of DURA France in charge of operations, business development and all activities with Renault Nissan and PSA Peugeot Citroen customers.

François has more than 24 years of experience in the Chemical and Automotive Industries at various executive senior levels. He held increasingly responsible management positions within the Dow Chemical Company, most of them with the Engineering Products and the Automotive division. Just prior to joining DURA, François was the Business Director for Dow Automotive Europe and President of Dow Automotive (France) SAS.

François is a graduate of the ITECH school based in Lyon, France where he studied Chemistry. He later completed an Executive MBA at the HEC school in Paris.
