■ Engineering

- Design & Engineering
- Design Validation / Testing
- Customer Engineering Support
- Program Management

■ Design Software

- CATIA V4 & V5
- IDEAS
- UNIGRAPHICS

■ Electronic Data Transfer

- iMan & TCAE
- AutoWeb
- CP3 TCE

■ FEA Capabilities

- Hypermesh / Abaqus

■ Testing Capability

- Vehicle & Bench Durability Testers
- Corrosion Test Chambers
- 14%, 20% & 30% (In-Door) Grades
- Environmental Chambers (-40C to 100C)
- Data Acquisition Systems
- Anechoic Chambers (Sound Chamber)
- High Speed Video
- Vibration Equipment
- Vehicle Lifts
- In-House Cable Prototyping Capability
- Electronics Lab

■ Dimensional Variation Simulation Capabilities

- 3DCS
